Complimentary Member Benefits³

It's important to live a healthy and fulfilling life. For this reason, Foresters offers complimentary member benefits that may allow you to spend more time with family. Foresters members also have access to Lifelong Learning,⁴ which offers a diverse range of over 200 online courses.

Member benefits are also meant to support families and their communities. With our Competitive Scholarship⁵ program, members' children and grandchildren may be eligible to receive up to \$10,000 in funding to pursue post-secondary education.

Community volunteering is at the heart of our values. Each year, we help thousands of members organize and participate in activities like building new playgrounds or volunteering.
